Gale Books and Authors

GUIDE READERS TOWARD A GOOD BOOK

For many patrons, finding a book that interests them can be time-consuming. Match their reading interests with *Gale Books and Authors*, a reader's advisory database that makes finding a great read much less challenging. With fun ways to browse, an intuitive design, read-alikes, reviews, award winners and themed booklists, and more this resource answers the age-old question, "What do I read next?"

IDENTIFY EMERGING GENRES AND READING INTERESTS

PROMOTE WHAT'S ON YOUR BOOKSHELVES
The configurable interface features large book covers, adjustable text, and a variety of browsing options for a familiar and fun experience on any device, with 24/7 access.

DEFINE SEARCH PARAMETERS
Readers of all levels can create a search as wide or narrow as they wish. Plus, the interface and search paths make offering read-alike suggestions a breeze.

SEARCH BY AUTHOR
Find quick facts and trusted biographical information on a range of authors. With the author search feature, you can search by nationality, ethnicity, and more.
ACCESS BOOKLISTS
From award winners to community and expert picks, multiple booklists provide users with a wealth of recommendations.
