

INCUBATE SUCCESS

Whether starting a new business or growing a current operation, entrepreneurs need access to information and planning tools to help them achieve their goals. Created by subject experts and a librarian advisory board, *Small Business Resource Center* can make your library the place your business community turns to for guidance.

Equip entrepreneurs with an online resource that covers all major areas of starting and operating a business, including planning, financing, management, taxes, marketing, and more.

GROW YOUR SMALL BUSINESS COMMUNITY

SEND THEM DOWN THE RIGHT PATH

Easy-to-browse homepage features four key business stages—plan, fund, start, and manage. Users can also find information through lists of popular business terms, business types, and a “how to” collection of questions.

GET THEM INSPIRED, GET THEM TO WORK

More than 700 business plans from the *Business Plans Handbook* series give new entrepreneurs a template for success.

PROVIDE CONTEXT AND CONTACTS

Tightly-indexed collection of resources includes small business eBooks, 300+ journals and magazines, and directories listing thousands of associations, consultants, consulting organizations, trade shows, business information sources, and more.

KEEP THEM UP TO DATE

Overviews, news, magazines, journal articles, and recommended web resources keep small business owners up to date on their industries.

OFFER LEGAL RESOURCES

If your library also subscribes to *Gale LegalForms*, a quick link to that product will automatically appear in the navigation toolbar of *Small Business Resource Center*.

more 

“A business plan is an essential roadmap for business success.”

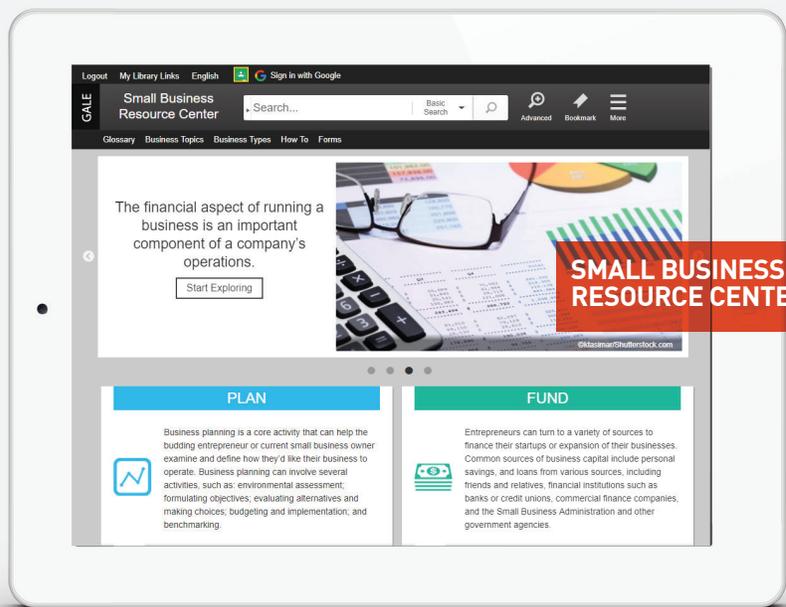

– U.S. Small Business Administration

“The database is an all-inclusive mix of sources for the small business owner or entrepreneur.”
