START CHILDREN ON A PATH TO DISCOVERY

As technology becomes more central to information literacy, kids are learning quickly about online research. Put them a step ahead with *Kids InfoBits*, an intuitive resource that introduces students to database searching. With an engaging content that supports the curriculum, learning becomes exciting—exactly as it should be.

EMPOWER THE RESEARCHERS OF TOMORROW

EXPLORE AGE-APPROPRIATE CONTENT
Continuously updated content is matched to elementary-level curricula and geared to fit the needs of today's young learners.

SEARCH KID-FRIENDLY MEDIA
Books, magazines, news, videos, and even images and graphs are indexed and searchable.

INTRODUCE KEY SUBJECT AREAS
Students can dive into elementary subjects by exploring categories like Animals, Arts, Geography, Health, Literature, People, Social Studies, and Technology.

ACCESS TRUSTED SOURCES
Kids InfoBits features full-text proprietary content from authoritative publishers like Blackbirch Press®, U•X•L, and more.

EMPOWER™ OUTCOMES

> "This database is an absolute winner. The intuitive interface, attractive layout, and substantive, tiered content make this valuable resource appropriate for a wide range of students."
>
> *School Library Journal*, May 2016

THE POWER OF COLLABORATION

Extend the reach of your resources. Integrated **G Suite for Education** and **Microsoft Office 365** tools enable users to easily share, save, and download content—including highlights and notes.

MAKE LEARNING ACCESSIBLE

FLEXIBLE SEARCH TOOLS
Filter content level and streamline search results based on basic, intermediate, or advanced learning levels.

BREADCRUMB TRAILS
Students can track the path they took to find a particular result and build their understanding of the search process.

ENGAGING GRAPHICS
Search through over 13,000 indexed images and over 1,700 kid-friendly charts and graphs.

READSPEAKER TEXT-TO-SPEECH TECHNOLOGY
Makes resources more accessible. Audio files can be downloaded onto a mobile device.

ARTICLE- AND INTERFACE-LEVEL TRANSLATIONS
Content can be translated into nearly two dozen languages—on screen and read aloud.

Kids InfoBits covers a broad range of elementary school topics in one accessible resource. It features a modern, graphical interface that improves navigation understanding to offer students an introduction to database searching that is in step with their skill level.
