

The Value of the Gale PowerSearch Platform:

NEW FEATURES

- Search Assist provides web-search functionality and recommendations similar to Yahoo and Google
- On-demand language translation includes three newly added languages: Chinese, Japanese and Korean
- Enhanced results include improved relevancy rankings and easier access to filters and limiters
- More intuitive advanced searching with Search Assist on the most used indexes

AND MUCH MORE

- Users can cross-search Gale holdings such as *Gale Virtual Reference Library*, *InfoTrac collections* and specific *In Context* resources
- Results include multimedia — images, video and podcasts
- Search within result lists to target specific content
- Technology that delivers audio versions of articles and downloadable MP3 files
- Document management includes e-mailing, bookmarking, downloading or printing
- Easy-to-use citation tools facilitate research results

InfoTrac Student Edition

Empower secondary school students with the information they need

InfoTrac Student Edition is specifically designed for secondary school students, providing instant access to screened, age-appropriate content from magazines, journals, newspapers and reference books. The ideal alternative to random Web searching, *InfoTrac Student Edition* covers a wide range of subjects, from science, history and literature to political science, sports and environmental studies, offering reliable, authoritative content for classroom assignments and general reference research.

Available on the state-of-the-art *Gale PowerSearch* platform, *InfoTrac Student Edition* provides 24/7 access to a balanced collection of academic sources. With *InfoTrac Student Edition*, students, parents, teachers and other researchers can quickly search millions of articles, full-text content from 16 major references and hundreds of maps from Blackbirch Press to complement papers, projects, presentations and much more.

The screenshot displays the InfoTrac Student Edition search results page for the keyword 'Democracy'. The interface includes a search bar with 'Democracy' entered, a 'Refine Results' sidebar with filters for document types and publication titles, and a main results area listing several articles. A 'What is Student Edition?' callout box is visible in the upper right. A 'DOCUMENT TYPES' list is shown at the bottom of the results area.

What is Student Edition?
Now with over 1,300 titles, cross searchable with E-Books, this periodical database is designed for high-school students with access to a variety of indexed and full-text magazines.
