

# Teacher Success Is **STUDENT SUCCESS**

Help increase educator efficiency with *Gale In Context: For Educators*, a seamless digital instructional tool that promotes collaboration and achievement.

## **LESSON PLANS ON DEMAND**

Save time on planning with over 1,000 lesson plans with formative assessments that incorporate expert-reviewed, standards-aligned content across core subjects.

## **IN-DEPTH DIFFERENTIATED INSTRUCTION**

Leverage an inquiry-based learning approach to engage every student, with leveled content that helps support Universal Design for Learning Guidelines.

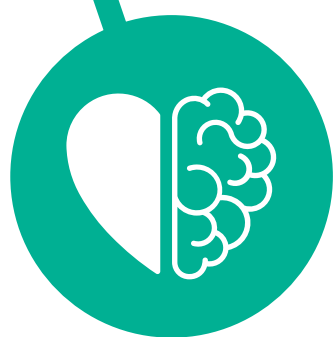

## **EASY LMS INTEGRATION**

Integrate lesson plans and content directly with Google or Microsoft as well as your current learning management system (LMS), like Canvas or Schoology.

## **COLLABORATION AND DEVELOPMENT**

Help teachers develop dynamic, adaptable instruction strategies. Facilitate teamwork and mentorship through a shared digital environment and in-depth learning center.

## **A SUPPORTIVE LEARNING EXPERIENCE**

Make it easy for educators to foster essential skills and diverse experiences with topics and content that incorporate diversity, equity, and inclusion (DEI) as well as social and emotional learning (SEL).

Less time spent on lesson planning, tracking outcomes, and searching for class resources means more time to focus on productive learning for all students.

## Easier for Teachers, **BETTER FOR STUDENTS**

Give teachers more time and support to do what they love—teach. Set up a demo to see how *Gale In Context: For Educators* can streamline planning and drive achievement for every student.
