

# DIVERSITY AND INCLUSION COLLECTIONS

Many school communities are examining ways to encourage empathy, foster understanding, and create learning environments in which differences are embraced and all ideas are valued. Diversity and Inclusion collections on *Gale eBooks* shine a light on today's most pressing issues—including racism, poverty, activism, immigration, and more—and put trusted, age-appropriate content at users' fingertips, inside and outside of the classroom.

## EMBRACE OUR DIFFERENCES WHEREVER LEARNING HAPPENS

### ELEMENTARY SCHOOL COLLECTION

Give elementary school students a larger view of the world around them. This collection provides educators with the comprehensive resources they need to teach students about different countries, peoples, and cultures, as well as leadership and activism.

### MIDDLE SCHOOL COLLECTION

Keep the conversation going as students get older. This collection provides insight, with content on world cultures, religion, education, and socioeconomic status. It also covers social justice, hate crimes, immigration, and more.

### HIGH SCHOOL COLLECTION

Help high school students find positive ways to interact with the world around them. The titles in this collection are relevant to what's going on in both the United States and the world, and this relevancy creates community, discussion, and advocacy among students.

### PROFESSIONAL LEARNING COLLECTION

Equip educators with titles about social and emotional learning (SEL) and DEI. Topics support culturally responsive teaching, trauma-informed and mindful practices, empathy, differentiation, and more.
