INTEGRATED SMALL BUSINESS RESOURCE CENTER

Offer users a step-by-step online planning tool for starting, managing, and optimizing a business or nonprofit. The program’s intuitive dashboard walks users through five areas of exploration in order to develop a strategic plan, review and validate assumptions, and focus on long-term goals for success.

Entrepreneur Profile This self-assessment worksheet allows users to critically evaluate their strengths and potential weaknesses as an entrepreneur.

Business Ideation Users can employ tools, such as Lean Canvas, SWOT, Porter’s Five Forces, and more to plan the high-level framework in which their business will operate.

Break-Even Analysis Delivers insight to determine when a user’s business will be able to cover expenses and begin to realize a profit.

SWOT, Porter’s Five Forces, and more to plan the high-level framework

Financial Projections A robust analysis of a company’s financial future encompassing capital expenditures, sales, equity, and inventory.

GALE LEGALFORMS

Access to thousands of forms created and used by actual attorneys, including the forms that small businesses need most, such as bills of sale, due diligence checklists, articles of incorporation, etc. While many of the documents are universal across all 50 states, this resource also includes state-specific forms.

Additional features and benefits:

Legal definitions and Law Digest | Q&A with a real attorney | Continually updated to reflect the latest laws in all 50 states | Mobile-responsive

**GALE DIRECTORY LIBRARY**

Ideal for business researchers, this long-standing resource offers an online collection of premier directories providing information on companies, publishers, associations, and more. Data sorting, filtering, and exporting are easy. Essentials for every library include Encyclopedia of Associations, Gale Directory of Publications and Broadcast Media, Brands & Their Companies, Market Share Reporter, and Ward’s Business Directory.

Major enhancements coming fall of 2017:

- New user interface, visual and workflow elements
- Expanded export limits
- Improved search capability
- Updated navigational elements
- New features and enhancements included in each major release
- Continually updated to reflect current trends and industry changes
