Small Business Resource Center is a comprehensive database covering all aspects of starting and operating a business, including accounting, finance, human resources, management, marketing, tax, and more. Combining authoritative periodical and reference content, Small Business Resource Center supports prospective and current entrepreneurs.

Simple searching of authoritative resources

Also included are both specialty/vertical market and general business periodicals:

- Better Asset Management
- Black Enterprise
- Consumer Comments
- Cosmetics International
- Direct Marketing
- Financial Management
- Family Business Review
- The Tax Adviser
- ...and many more

Users can search by subject or keyword or link directly to pre-compiled information based on popular business topics and types, sample business plans, and answers to the most frequently asked questions from a “How To” menu. Results are delivered at the article level in an HTML-based text and graphics format that’s designed for speedy display and easy readability.
