PREPARE FOR THE ROAD AHEAD

Deliver trustworthy online automotive repair and maintenance guidance that DIYers and professionals have relied on for more than 100 years. Continually updated, this database offers users the detailed information they need to tackle preventative vehicle maintenance and repairs. Give car owners the certainty they need to keep their cars safely on the road for years to come.

REV UP CAR CARE WITH THIS POWERFUL ENGINE

UP-TO-DATE VEHICLE INFORMATION
Easily locate domestic and imported vehicle information by the make, model, and year. Contains information on over 2,600 vehicles from 1940 to current year.

SERVICE AND REPAIR NOTIFICATIONS
Navigate by using individual tabs for diagnostics, necessary repairs, maintenance issues, safety bulletins, and recall information.

ROADSIDE ASSISTANCE
Car care buffs will appreciate convenient 24/7 access to ChiltonLibrary for reference anytime, anywhere, and on any device.

PREPARE FOR REPAIR COSTS
Using industry-standard proprietary labor times, the labor estimating tool helps consumers evaluate auto shop repair estimates with confidence, while helping do-it-yourselfers accurately gauge the time needed to complete a job themselves. The program’s labor data spans from 1981 to 2017, but not all makes are covered.

TOOLS FOR ASE CERTIFICATION
Automotive Service Excellence (ASE) sample tests are available to provide a high-level assessment of overall readiness to pass an ASE certification exam. Aspiring mechanics will gain a better understanding of their strengths and areas needing additional review.
