

DISCOVER THE POWER OF RICH RESOURCES

Current, comprehensive, and reliable, *Gale Literature Resource Center* is uniquely relevant to today's curriculum. *Gale Literature Resource Center* provides a seamless research experience that helps students find a starting point, search across a wide variety of materials and time periods, and discover new ways to analyze information. With biographical and contextual materials, it supports the study of diverse authors, interdisciplinary approaches, information literacy, and the development of critical thinking skills—helping to turn students into researchers.

DESIGNED FOR TODAY'S LEARNERS

SUPPORT STUDENT SUCCESS

As the online destination for literature analyses, students get access to up-to-date biographical information, overviews, full-text literary criticism, and reviews on more than 175,000 writers in all disciplines, time periods, and regions of the world. They can find examples for how to structure their own literary analyses and get materials that support interdisciplinary approaches to the humanities, information literacy, and the development of critical thinking skills.

PROMOTE ENGAGEMENT

Students are sure to find pieces that resonate with access to a diverse range of writers spanning a broad array of disciplines and time periods from around the world. It offers primary works in a variety of genres, from science fiction writers, essayists, poets, and others, helping students gather textual evidence and form their own interpretations.

BROADEN PERSPECTIVES

With the work of a diverse selection of scholars and critics, *Gale Literature Resource Center* provides students with an expansive collection of evidence to support their literary responses, which helps ensure that all views and perspectives are represented. Users can access the whole range of literature, not just fiction, from modern day to antiquity, for viewpoints from the world's greatest experts. It is also cross-searchable with other Gale literature resources, like *Gale Literature Criticism*, *Gale Literature: LitFinder*, and subcollections on *Gale eBooks*.

WORKFLOW TOOLS

UNIQUE SEARCH PATHS

Diverse authors are discoverable by using the limiters in the Person and Works search paths to limit by gender, nationality, and ethnicity.

TERM CLUSTERS

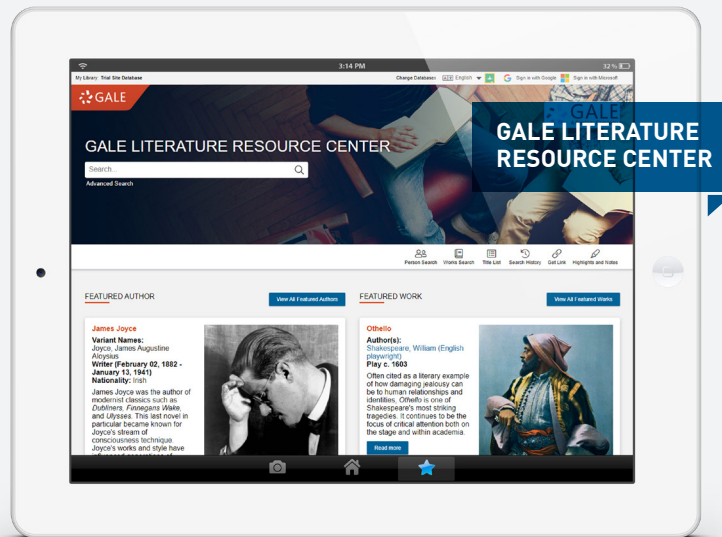

By grouping commonly occurring themes, this tool reveals hidden connections within search terms, helping to shape research.

TERM FREQUENCY

Students can see the frequency of search terms within sets of content to begin identifying central themes and assessing development over time.

COLLABORATION TOOLS

Expand access by integrating Gale resources into your learning management system. Add the power of G Suite for Education and Microsoft Office 365 tools, which enable users to easily share, save, and download content—including highlights and notes.
