

EMPOWER BRIGHT FUTURES

Middle school students' needs are very different than those of elementary students, which means the way they access content has to keep up. Gale's *Research In Context* supports the developing information and digital literacy skills of middle school students. Young researchers are inspired by how quickly they can navigate and find the answers they need—anytime and anywhere.

RELIABLE RESOURCES FOR A NEW GENERATION OF RESEARCHERS

ALIGN WITH TEACHING STANDARDS

Over 300 topic pages provide content that supports national and state curriculum standards for grades 6 to 8 in English language arts, social studies, and science.

COVER A WIDE RANGE OF TOPICS

Content is written explicitly for middle school students on a variety of topics, including government, U.S. and world history, geography, literature, science, and social issues.

ACCOMMODATE DIFFERENT LEARNING STYLES

Features a variety of nonfiction, informational text, and formats, including books, images, audio, video, newspapers, primary sources, and more to support learning.

PROVIDE AUTHORITATIVE INFORMATION

Content is provided from proprietary Gale, UXL, and Lucent Books® titles and from leading sources, such as National Geographic, NPR, NASA, AP Video news, and more.

“I am glad to see a high-quality database developed for this age group.”

Junior High Librarian

MASTER WORKFLOW

Expand access and increase discovery by integrating Gale resources into your Learning Management System. Add to that the power of **G Suite for Education** and **Microsoft Office 365 tools**, which enable users to easily share, save, and download content—including highlights and notes.

Product screen capture as of March 2018. Actual interface may vary.

PLATFORM TOOLS

Accommodate diverse backgrounds with ReadSpeaker text-to-speech technology and on-demand article translation in over 20 languages.

CITATION TOOLS

Integrated directly into the user's workflow, MLA, APA, and Chicago-style citations are supported and can be easily exported to citation services like EasyBib or NoodleTools.

HIGHLIGHTS AND NOTES

Organize, save, and share highlights and annotations within content.

SEARCH FUNCTIONS

Researchers can search by Lexile range or find content based on basic, intermediate, and advanced levels of complexity.

CURRICULUM-ALIGNED CONTENT

Content is aligned to national and state standards from grade 6 up to grade 12 across the curriculum.
