Why just point someone in the right direction when you can provide a path? *Testing & Education Reference Center* is a valuable online tool learners can use for standardized test preparation, researching undergraduate and graduate programs, finding tuition assistance, and exploring careers. Additionally, users will find advice on résumés, cover letters, interviewing, networking, and more. The result? They are better prepared for the next level.
GUIDE USERS TO OPPORTUNITIES WITH DEPENDABLE TOOLS

FINANCIAL AID TOOLS
Help students and parents discover financial aid sources and funding tips with tools like scholarship search, financial aid award analyzer, college savings calculator, tuition cost finder, and more.

VIRTUAL CAREERS LIBRARY
Offer advice to career seekers on every part of the job search process, from preparing cover letters and negotiating conditions to thriving in their new position.

PRACTICE TESTS
Set users up for success. Improved practice tests offer test-takers guided study plans, an at-a-glance view of exams in progress, achievement badges, test retakes, and more, to better prepare them for admissions and program entrance exams.

Loaded with in-depth information on colleges, technical schools, entrance exams, career certifications, and more, Testing & Education Reference Center helps everyone from high school and college students to job seekers—even those transitioning from the military—embark on new paths.
