Cameron's Collection

SUPPORTING TEEN MENTAL HEALTH & WELLNESS

One out of every five teens suffer from mental illness. Cameron Gallagher was one such teen. A bright and talented young girl battling depression and anxiety, Cameron's dream was to raise awareness and erase the stigma about the topic. At the tender age of 16, she suddenly passed away from an undiagnosed heart condition.

Recognizing the dire need for solutions to support our students mental health and wellness, we curated Cameron's Collection with over 90 eBooks that provide targeted resources and guidance for students, teachers, and counselors letting our students know that they are never, ever alone.

SUPPORTING TEENS WITH GALE eBOOKS

OFFER PRIVACY AND ANONYMITY

Students can access content related to sensitive teen issues from the privacy of their own device on *Gale eBooks*.

ENCOURAGE SOCIAL SHARING

Students can share articles with friends related to teen issues via a number of social sharing options including Twitter, Facebook, Tumblr, Pinterest, and others.
