FBI FILE: HUEY LONG

This valuable resource for students of American political history details the Federal Bureau of Investigation's investigation of Huey Long (1893-1935), governor and senator of Louisiana, mainly during the 1920s. Documents include reports on voting fraud; correspondences regarding "Share Our Wealth Society" (1934-1935); "Our Blundering Government," a March 1935 speech; the investigation of Louisiana officials and crime conditions in the state (July – August 1939); as well as the investigation into Long's assassination (May- September 1939); among other records.

Date Range: 1932-1951
