One of the most influential culture, media and politics publications to emerge in the 20th century, The Listener was a weekly periodical established by the BBC, to aid its mission to inform, educate and entertain the general public. Unlike rival publications with party political leanings, The Listener provided a balanced overview, and was always internationalist in its worldview.
ENHANCE YOUR STUDY OF TWENTIETH-CENTURY BRITISH CULTURE AS REFLECTED IN BBC BROADCASTS

_The Listener_ developed a reputation for outstanding writing, featuring contributions from the major writers, artists, social commentators and thinkers of the twentieth century. _The Listener Historical Archive_ provides an invaluable resource for those researching the critical reception of visual arts and wider areas of culture from politics to science, and how the wider public responded to them, in the twentieth century. This archive provides complete run of the publication, in an accessible and easy-to-use online research environment.
