British Library Newspapers:
Part IV, 1732-1950

Number of articles
Over 13.9 million
From key early newspaper titles like the *Stamford Mercury* to what is possibly the oldest magazine in the world still in publication, the *Scots Magazine*, the 23 newspapers in this collection offer local and regional perspectives from towns as geographically diverse as Aberdeen, Bath, Chester, Derby, Stamford, Liverpool, and York. In addition, this archive includes the 1901-1950 runs of papers such as the *Aberdeen Journal* and *Dundee Courier*.
