Brazilian and Portuguese History and Culture:
The Oliveira Lima Library, Part II: Monographs

Number of articles
Over 1 million
This fully searchable digital archive provides access to the Oliveira Lima Library, the personal library of the Brazilian diplomat, historian, and journalist Manoel de Oliveira Lima, which has long been regarded as one of the finest collections of Luso-Brazilian materials. These monographs cover Brazilian and Portuguese history, indigenous peoples, international relations, ecology, economic development, medicine and public health, literature, and more from the mid-16th to 20th centuries.
