Number of pages
Over 271,000
This fully searchable digital archive provides access to official correspondence, despatches, reports, memoranda, and private and confidential letters that provide insight into Chinese life. The collection, mainly in English, covers China and its relations with the Imperial West in the late Qing and Republican periods, ideal for Asian Studies and world history studies with a focus on Chinese politics, diplomacy, trade and economy, British imperial history, and the history of modern globalization.
