China and the Modern World: Missionary, Sinology and Literary Periodicals

Number of pages
Over 154,000
This fully searchable digital archive provides access to a collection of seventeen English-language periodicals published in or about China during a period of over 130 years culminating in the founding of the People’s Republic of China. These periodicals illuminate the thoughts of Chinese intellectuals and Westerners, mainly missionaries, about China – and, more importantly, their efforts to understand and study Chinese history, culture, language, and literature.
