Early Arabic Printed Books
from the British Library

Number of pages
Over 2.2 million

EMPOWER™ RESEARCH
This fully searchable digital archive provides access to examples from over 400 years of books printed in Arabic script as well as translations into European and Asian languages from the period. Based on A.G. Ellis’s catalogue of the British Library’s collection, this digital archive supports comparative approaches to the study of the Middle East and the Muslim world and inspires original research on Islamic religion, history, language, literature, and science.
