Have you thought about digital resources for this topic?

Gale Primary Sources
Start at the source.

International Herald Tribune
Historical Archive 1887-2013

Number of articles
Over 5.3 million
Open avenues for original research with independent, internationally focused content unavailable from other newspaper archives. With this archive, you can uncover a new depth and breadth in topics previously limited to UK and American viewpoints. The collection reveals a global conversation as illustrated by the world’s first truly international newspaper.
