Number of pages
Over 5.1 million
This fully searchable digital archive provides access to more than 9,500 English, French and German titles. The collection is sourced from the remarkable library of Victor Amadeus, whose Castle Corvey collection was one of the most spectacular discoveries of the late 1970s. The Corvey Collection comprises one of the most important collections of Romantic era writing in existence, with a focus on especially difficult-to-find works by lesser-known, historically neglected writers.
