Political Extremism and Radicalism in the Twentieth Century: Far-Right and Left Political Groups in the US, Europe and Australia

Number of pages
Over 590,000
This fully searchable digital archive provides access to a diverse range of content, including campaigning materials, propaganda, government records and various ephemera, and oral histories as audio recordings and transcripts. This collection combines content on far-right and fascist movements alongside significant coverage of radical left groups, allowing researchers to access material from both sides, providing points for comparison providing a broader range of information sources than other archives on the subject.
