Sources in U.S. History Online

Number of pages
Over 255,000
This fully searchable digital archive provides access to primary source documents that tell the story of a nation’s birth, providing information surrounding important individuals, influential perspectives, religions, political operations, and warfare from the eras that have shaped the U.S. It includes materials that specifically focus on the slave trade, plantation life, emancipation, and related topics; accounts, pamphlets, speeches; and life during the violent divide between north and south during the Civil War.
