

The History of the Chinese Maritime Customs: A Select Bibliography

Compiled by Richard S. Horowitz
California State University, Northridge

An Introductory Note

There is an abundance of material on the Chinese Customs Service. The following bibliography is by no means exhaustive: it lists the most important scholarship on the Customs in English, with a bias toward more recent works. It omits the large body of publications by the Customs Service itself.

For additional resources and bibliographies, see the invaluable website of the Chinese Maritime Customs Project at the University of Bristol <http://www.bristol.ac.uk/history/customs/>
