Associated Press Collections Online:
U.S. City Bureaus Collection
This fully searchable digital archive provides access to award-winning news coverage, covering the research needs of a variety of disciplines. This collection offers access to records from the Associated Press’ Atlanta, Austin, Birmingham, Chicago, Dallas, Miami, New Orleans, Philadelphia, and Pittsburgh bureaus. Records include news stories in various stages of production, covering major social movements, natural disasters, crime, disease, politics, and other topics of regional or national importance.
