Nineteenth Century Collections Online:
Photography: The World Through the Lens
Search for this archive on your library database

Number of pages  Over 1.2 million  Number of titles  Over 21,600

This fully searchable digital archive provides access to photographs of people both at work and at leisure, images of scientific research and medical practices, photographs documenting travel and exploration, portraits of people, and coverage of major events such as coronations, funerals, and wars. These images complement studies of history, culture, media, and many other disciplines, covering changes in family and society, invention and scientific discovery, exploration and colonization, urban versus rural life, work, leisure, and travel.
