

# Political Extremism and Radicalism in the Twentieth Century:

Far-Right and Left Political Groups in the US, Europe and Australia

**ONLY GALE PROVIDES UNPARALLELED ACCESS TO PRIMARY SOURCES DOCUMENTING AN EXTENSIVE RANGE OF RADICAL MOVEMENTS IN THE TWENTIETH CENTURY.**

To help researchers explore the development, actions, and ideologies that shaped today's extremist and radical groups, *Political Extremism and Radicalism in the Twentieth Century: Far-Right and Left Political Groups in the US, Europe and Australia* provides content on radical right and fascist movements alongside significant coverage of communist and socialist groups, and new left activists. By providing primary source material from both sides in one comprehensive, meticulously indexed resource, Gale makes it possible for researchers to make connections not previously discoverable.

# EXPLORE THE DEVELOPMENT, ACTIONS AND IDEOLOGIES INFLUENCING TODAY'S POLITICAL CLIMATE

As one of the first digital archives on far-right and left political groups, *Political Extremism and Radicalism in the Twentieth Century: Far-Right and Left Political Groups in the US, Europe and Australia* contains over 600,000 pages of content and 42 oral histories, spanning the pre-war period into the twenty-first century, making it the most extensive resource of its kind. It contains a diverse range of content, including campaign materials, propaganda, government records, and various ephemera, that when combined with the Gale Primary Sources technology, allows researchers to explore extremism and radicalism in new ways. Researchers of contemporary topics will benefit from exploring the origins and development of present-day issues, such as the resurgence of right-wing politics, evolution of civil rights movements, and the nature of extreme or radical political thought.

*Political Extremism and Radicalism in the Twentieth Century: Far-Right and Left political groups in US, Europe and Australia* will be valuable to researchers in international and American history, politics, international relations, government studies, and is broadly applicable to additional topics such as gender, sociology, psychology, and religious studies.

## THE SOURCE ARCHIVES ARE:

**The American Radicalism Collection**, from Michigan State University, is a collection of ephemera documenting radical political groups on both the far-right and left. The collection is particularly rich with content related to the American Left and anti-war movements and also contains extensive coverage of the radical right including documents from groups such as the John Birch Society, and the Ku Klux Klan.

**The Hall-Hoag Collection of Dissenting and Extremist Printed Propaganda**, from Brown University, includes printed propaganda from US anti-integrationist, anti-Semitic and racist groups from the post-World War II period to the present.

**The Searchlight Archive**, held at the University of Northampton in the UK, consists of documents from Searchlight Associates, an information service that aims to expose racist and fascist groups. This collection also includes the full print run of Searchlight magazine the official publication of Searchlight Associates and audio files of 42 oral histories—a highly desired resource for classroom use to engage students.

**The National Archives in the UK** includes government documents relating to inter- and post-war British extremist movements, including Security Service files and Home Office papers among others.

## OPTIMIZED FOR DIGITAL SCHOLARSHIP

Explore this collection more deeply through Gale's *Digital Scholar Lab*—a research experience that removes key barriers of entry into digital scholarship and enables researchers of all levels to quickly build corpora of analysis-ready text data sourced from Gale's unrivalled digital collection of primary source material.

## FEATURES AND TOOLS

**Textual Analysis Tools** Identify and visualize patterns, trends, and relationships to explore content in new ways.

**Subject Indexing** Easily find content and view key elements in the text.

**Image Viewer** Zoom, adjust contrast and brightness, and reverse to create a custom view in full-screen mode.

**Downloadable OCR** Now keyword-search monographs, newspapers, and ephemera for a new level of access on all search results.

**Stand-alone or Cross-search Capabilities** Use the archive on its own or cross-search with other primary source collections like *American Civil Liberties Union Papers* to reveal connections that foster deeper understanding.

**Explore Collections** Provides a unique interface to browse through the content instead of just searching for it.
