MAKE THE MOST OF YOUR PLAN

It's important that books do more than fill shelves. They need to serve a purpose. Here are a few ways you can maximize your large print collection's impact.

- **Extra copies** – When a *New York Times* bestseller is released, sometimes one copy just isn't enough. The Thorndike Press Librarian's Choice plan allows you to bring in as many copies of today's bestsellers and bestselling authors in large print as necessary, to keep popular titles on the shelf.
- **Simultaneous publications** – Whenever possible, we strive to release the large print edition within one month of the original publisher's release date. Our plans allows you to offer multiple copies of these must-have titles, in a format that works for many readers.
- **Outreach programs** – Large print promotes greater participation and outcomes with book clubs, book mobiles, and literacy programs.
